

Fantastic Sponsorship Opportunities Available!

The Football Conference website is getting a facelift and will launch fully to the public on the 1st of July.

The Football Conference website was viewed over 2 million times by non-league football fanatics during the last 12 months.

Exciting developments to the way the website works, and improvements to the way it handles data, should see this figure double over the coming year.

Sponsorship Packages

Flagship Advert

Cost - £2,995 for 3 months or £7,995 for the full season (Jul through to May)
Period – 3 Months (Jul, Aug & Sep), (Oct, Nov, Dec), (Jan, Mar, Apr & May).

For this you get an advert 468px width by 60px height which displays on every single page throughout the website.

You will also get an advert 125px width by 125px height which will be included on all emails generated by the website including weekly newsletters.

All adverts will link to your website.

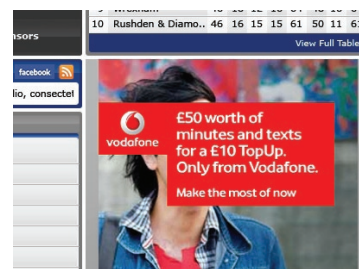

Club Sponsor Advert

Cost - £995 for the full season (Jul through to May).

For this you get an advert 300px width by 250px height which displays on a selected club page on the website. When a fan is logged in, the advert will be displayed on every page the user visits.

You will also get an advert 125px width by 125px height which is sent out via email to every fan who has specified your club as their team, including weekly newsletters.

All adverts will link to your website.
